

**Expand Your Capabilities.
Build On Our Resources.
Partner With A Leader.**

American Communications is a network infrastructure leader and a success in building mutually profitable partner relations. Our core competency is in the secondary equipment market. By leveraging our proven solutions, tools, support and expertise, you create new opportunities for your company.

Become an American Communications Partner and You Will:

Increase Sales. Capitalize on the American Communications service, which helps your sales force find and close more opportunities while focusing on next generation product sales.

Create New Revenue Streams. Realize profitability in your equipment already in the marketplace.

Grow Market Share. Use American Communications proven solutions to deliver more value to your new and retained customers.

Build Preferred Customer Relationships. Team with the best to deliver cost-effective solutions to your customers and drive growth and profitability with American Communications.

Create a Competitive Advantage. Differentiate from your competitors by expanding product and service offerings to your customers.

Choose The Program That Fits You Best

American Communications Partners enjoy access to several partner categories, each adding value through a variety of pre- and post-sales support and revenue-generating opportunities. To learn more, contact us to speak to one of our representatives.

Increase revenue.

Build your customer base.

Create profitability on products already sold.
